

DTE Energy

Matt T. Paul
President
DTE Coal Services

Matt T. Paul, 40, is president of DTE Coal Services, a subsidiary of DTE Energy (NYSE: DTE), a Detroit-based diversified energy company involved in the development and management of energy-related businesses and services nationwide. Paul is responsible for the continued growth of DTE's non-regulated coal business that serves utility, municipal, electric cooperative and other industrial customers. DTE Coal Services provides a broad range of coal sourcing, marketing, transportation, rail management and trading services.

Previously, Paul was chief operating officer of DTE Coal Services, after serving as the company's vice president of coal and emissions trading. Prior to joining DTE Coal Services, Paul was employed by Koch Industries. During his 10 years with Koch, he held a variety of leadership positions in the company's commercial, trading and engineering organizations.

Paul earned a bachelor of science degree in mechanical engineering from Michigan State University and a master of business administration from the University of Chicago. He is a member of the American Coal Council, the Coal Trading Association and the Emissions Marketing Association.
